L.G. School Budget Near $1,715,000

The L.G. school board Tuesday night continued its study of the 1962-63 budget which appears to be headed for a total expenditure of $1,715,000, down $4,000 from the year before.

Byron Netzley, school superintendent, said the study should be concluded at the next meeting June 25, prior to the July 1 county deadline.

Part of the consideration by the board is a request for a raise by classified employes. This is proposed by way of an added step in the increment schedule; one for the tenth year of service. Netzley said that 12 employes and $2,500 are involved. Trustees took the request for study and will probably announce its determination at the upcoming meeting.

A request for $30,000 from various schools for capital investments was rejected. An attempt to cover as many of the requests as $10,000 will buy may be approved, it was inferred. The funds would come from undistributed reserves which are now at $70,000.

The board was informed that youngsters would get milk next year in paper cartons but the price would remain at 5c.

A vacation period schedule for the board calls for a meeting to be held July 2, 9, August 1 and Sept. 11. The August 1 meeting is a budget hearing.

Planners Reject Variance Request For $100,000,000 Residential Tract

SAN DIEGO (CNS) — Plans for what was said would eventually be a $100,000,000 residential development in the La Presa section of Spring Valley were blocked Friday by the County Planning Commission.

The commission turned down a request for a blanket zoning variance for 980 lots to allow homes to be built 40 feet from the center of the street, instead of the required 50 feet, and garages to be 45 feet back, instead of 50 feet.

The area involved is east of La Presa st., south of Jamacha rd. and Ivanhoe st., west of Vista and Omega sts. and north of Jamacha blvd.

The applicant for the blanket variance was Security Title Insurance Co. which was represented at the commission hearing by Ed Fackler Sr.

Fackler, prominent in development of the La Presa area, and his son, Ed Fackler Jr., both spoke at the hearing.

They said that the lots were to be sold to Scimitar Homes, Inc., which was to build $10,000 dwellings on the lots.

Study showed that the applicant owned only one of the 22 blocks for which the variance was sought and "there are no special circumstances" for a blanket variance. The study committee suggested that each lot be considered separately.

The younger Fackler said Monday the commission's action will be taken to the Board of Supervisors, with a request that it be over-ruled. He said the Scimitar firm is prepared to start building six homes per week if the variance is granted.

In another action affecting the Spring Valley area, the commission approved zoning variances and a special use permit for the multi-million dollar residential - recreation project plans for 37 acres near Campo road by Sam C. Harris

Death Claims Businessman

JACK E. SANDERS

Jack E. Sanders, 54, prominent Lemon Grove businessman, died Sunday at his home at 3122 Main st. as he was ready to eat breakfast.

He was sharing the meal with his wife Eliza and was in excellent spirits as he sat down to eat, leaned back and died. He had planned to open the hardware store he operates, as he always had at 10 a.m. on Sundays. The store is the Lemon Grove Hardware, 3340 Main st., two blocks north of his home.

Funeral services held Wednesday at Conrad's Lemon Grove mortuary, were attended by a large crowd made up of the many friends he had made during the 22 years he lived in Lemon Grove. Cremation followed.

Sanders, together with his father-in-law, George White, started the hardware store in 1945 and it was a successful business. White died in 1949 and Sanders devoted to the business, continued to operate it. He suffered a heart attack in 1960 and after recuperating, returned to the business and kept up his interest in race horse breeding and racing, an interest he and his wife shared together. He was an ardent golfer and liked people. His golfing cronies were usually local business men who were drawn together by a strong mutual like and respect.

Sanders was a native of Aurora, Ill., as is his wife, Eliza, who survives him. Both of their mothers grew up in Aurora. His father was twice elected mayor of Aurora.

In addition to his wife, survivors include his daughter, Mrs. Sharon Stifter and her children David and Shelley; a son, Jack and his son Brett; a brother, Thomas of Dallas, and his mother, Nellie, of the Lemon Grove address.

Until his illness, Sanders was a member of the Lemon Grove Lions club.

Sups Give $40,000 To C d O Property Owners

SAN DIEGO (CNS)—A contribution of $40,156 in county general funds to help a group of Casa de Oro property owners meet their bills for a drainage and improvement project on Campo road was voted Monday by the Board of Supervisors.

The action, setting a precedent in county gifts to 1911 improvement act districts, will cost all the county's taxpayers about ¼ cent on the tax rate, Board Chairman De Graff Austin said.

The assessments originally proposed for the $314,345 project were protested bitterly by property owners in two previous hearings before Supervisors. The county had already agreed to put up $12,139 for the job, and the state had agreed to pay $87,756.

This reduced the cost to property owners to $214,449, but they opposed the assessments because the work had cost more than the original estimates.

The Board's agreement to have the county as a whole foot the bill for the excess cost apparently did not come as a surprise to those involved in the hearing.

When the decision was approved for the $40,156 donation, David K. Speer, road commissioner, said he "just happened" to have with him a new assessment roll in line with the cost after the county aid.

PRECEDENT BREAKING

Each of the Supervisors made a little speech about the uniqueness of the Campo road situation, which made the precedent-breaking action necessary.

Board member Robert Dent blamed it on "the bait" offered in the state's contribution, but Supervisor Bird, who represents the Casa de Oro area, leaned over and whispered in Dent's ear while he was speaking.

Dent then corrected himself. "I wasn't properly briefed," he said.

Supervisor Robert C. Cozens explained that he was voting for making the contribution because a drainage problem was involved, and Supervisor Frank A. Gibson said he was voting for giving the money only on the understanding that there would not be any change in the county policy of refusing to make donations to other 1911 improvement act districts.

Chairman Austin said the "eloquence of Gilbert Ray" had gotten the county into the project. He admitted that it would be hard to explain to property owners in other areas why they could not expect the same aid from the county.

Ray, who is also a member of the county Planning Commission, was in the audience and said: "We want to thank you and to compliment you for the way you have handled this. You have restored the faith of these people."

In the area where Ray is a large property owner, in 1960 the assessment was estimated at $104,313, but an actual assessment of $118,889 was proposed in recommendations made to Supervisors from the road department on May 15.

The assessment for this area as approved Monday will now be $91,997.

Spring Valley Man Sought For 'Exposure'

Because of his actions on several occasions while driving by the Casa de Oro Elementary School, Ramona Drive, S.V., Deputy sheriffs are seeking a middle aged man who has been driving a '48 or '50 Ford in the vicinity of the school about afternoon let-out time.

Three juvenile girl students reported to their parents regarding the man's conduct. The driver would emerge from the car which he parked near where they would walk, emerge clad only in a tee shirt, stroll a few steps and return to his car and would speed away.

HOSPITAL OFFICE RANSACKED

The office of the San Diego Convalescent Hospital at 3780 Massachusetts, L.G., was entered Tuesday. Desks were ransacked and the money box removed. Entrance was effected by removing window louvres. $400 in cash and $600 in checks was taken; also the money box and a pocket watch. Report was made by Mrs. Dorothy S. Duran, an executive. She gave the name of an employe as a suspect.

CAFE LOSES MOTORS

The Growler Cafe, which has stood unoccupied at 9574 Campo Rd., S.V. since the death of its owner, 18 months ago, was invaded recently.

Miscellaneous property was destroyed and electric motors removed from outside the building according to Mrs. Elizabeth Borst, 7377 Mt. Vernon, L.G. who reported the theft.

POOR CONNECTION

An unknown person fouled-up the telephone of Michael Andrew McQuery, 8408 Gardwood Ct., S.V., June 5, when he cut the outside lead-in line to the telephone.

BOOKED AS DRUNK

Manuel William Lieras, 7870 Lester, L.G. was arrested by Sheriffs Deputies D. J. Stewart and N. Traver Friday, charged with intoxication and malicious mischief.

Curtis L. Scott, 4424 Felton, S.D. reported having observed Lieras reel past the display sign of the Grove Theatre and smash the glass with his hand. The man was found rolling on the grass north of Broadway between Main and Imperial too drunk to take a sobriety test. He was taken to the County Jail and booked.

SMOKEY LOSES BANK DEPOSIT

A theft was committed at Smokey Rogers Crossroads Cafe, 1111 Sweetwater Road, S.V. May 29th but Rogers reported the robbery June 8, stating he had waited, hoping the money would turn up. His loss was $184.64 placed in a cloth bag of Security bank, in his private office.

TRAFFIC BLOCKER BOOKED

David Lawrence Freeman, 1354 Walbollen st., asleep in his car in the off ramp of the Hwy 94 Freeway, at Grove st., narrowly missed a collision because a motorist stopped in time. Investigating the reported traffic block, the sheriff's deputies at 1:25 a.m. June 10, found Robert W. Hiday, one of the witnesses holding up Freeman, a very intoxicated man, while Ray Ahlefeld, S.V. was driving the car to the corner of Tierra Rojo and Riviera st., where the car was locked and left. The cause-of-it-all refused to take a sobriety test, maintaining he was not driving a car. He was taken to the county jail and boked on two counts of drunk in a public place and obstructing traffic.

VISITOR IS LOSER

A visitor from Twin Falls, Idaho, while at a party at 910 Glencoe dr., L.G. Susan Galloway, 16, reported to the sheriff's department that her purse was taken from the car of her escort. It contained several valuable rings, $15 cash, a pair of blue tinted contact lenses, and antiseptic fluid for her eyes. She was the guest of Miss Norma Lay.

CHURCH IS TARGET

The pastor of the congregation of Jehovah, La Mar st., S.V. patiently endured malicious mischief aimed at the church with guns, gas thefts and theft of car parts, but when a lemon was thrown through a $100 church window, Edgar Allen Flinn, the minister called on the sheriff's dept. for help. The damage was last week.

GAS THIEF ROUTED

Max Goodwin, 8504 Palm ave., L.G., at 1:15 a.m. June 9, surprised a gas thief siphoning gas from a car parked in his driveway. The thief ran up the driveway and east on Palm ave. said Goodwin, who also stated he has been missing gas for several months and estimates his total gas loss at 20 gallons. He believes the suspect lives close by and drives an old car, judging by the sound of the car he heard ascend and descend the hill twice prior to the occurrence.

School Bond Key May Be Minority Report

It was a sad election for those whose life and interest are centered on schools. Every school issue on the June ballot from Santa Barbara to the border, went down to defeat, with an override issue in San Juan Capistrano being an exception. The latter was passed on its 8th or 9th attempt.

We suspect that any school bond issue will have difficulty in passing in the future until such time that the law is changed to require a simple majority, or until the home-owner's confidence in the local economy is restored. No one has suggested that the outcome is a rebellion against the school financing system although locally, trustees are doing some serious soul - searching with the present day economy forming the guidelines.

In the Grossmont Junior College District where a $7½ million campus issue was defeated by about 1% (It got a 65.8% vote. It needed 66.7%) the trustees were not unanimous in deciding on the amount of the issue. Trustee Robert Robert Dryden, a banker, stuck to his studied opinion that a fully-functional campus could be produced for about a million dollars less than the administration was seeking. He was backed up, for at least one meeting, by Robert Brown, a trustee from Lemon Grove. It was the minority opinion that gave the "no" voters the base on which to operate.

Harold Hughes, assistant superintendent of the Grossmont Junior College District said that the district administration will ask the trustees next Monday to schedule another election in November because the issue came so near to passing and because the need increases in proportion to the number of high school graduates produced by the district. The high school and college district is the same. "It is our obligation to provide a college when 65% of our voters have said they want it," Hughes said.

Hughes said the college would continue to operate on the Monte Vista high school campus during the 1962-63 school year. College personnel are under contract and funds earmarked for salaries during that period, he said. The college's provisional accreditation will continue, though not indefinitely. Students, this year and next, will get full credit for courses at Grossmont junior college.

We urge the board of trustees to consider sympathetically the request of the administration when it appeals for approval

FIREMEN FIGHT 'RUNNER' BLAZE ON MURRAY HILL

The Lemon Grove Fire Department asked for aid from La Mesa firemen when they arrived upon the smoky scene of a fast-spreading fire on Murray Hill dr. near High st. on the borderline between the two communities on June 5 shortly after 8 p.m.

Assistant fire chief Fred Dixon termed the fire a "runner," meaning a blaze in dry, thick grass and underbrush which must be fought by means of backfires and firebreaks.

About an acre was charred before the "header," onrushing forefront of the fire was "knocked down," according to Dixon. The four homes in the area, having good firebreaks, weren't damaged at all and the flames were mostly under control by the time La Mesa firemen arrived.

A grass fire in the 1400 block on Imperial ave. did no damage and was quickly extinguished at 4:30 p.m. on June 5. On June 7 at 1 p.m. firemen responded to a call from L. G. Motors, 7490 Broadway, where a cutting torch ignited a fire which burned out a junk car. A June 11 call at 4:38 p.m. proved to be a false alarm. Going to 4044 Violet st. on an alarm relayed by the Division of Forestry, L.G. firemen found no grass fire as called in.

Firemen gave aid to Albert Esche, 72, of 3595 Olive st., L.G. at 2:30 p.m. on June 5. Esche reportedly was returning from a doctor's appointment for care of an injured knee and fell down as he mounted his crutches getting out of his car.

RABIES SHOTS NECESSARY UNLESS CAT FOUND SOON

A Casa de Oro man soon will have to undergo a series of 14 anti-rabies shots if the cat that bit him isn't found.

Mr. Neis Wonger of 9239 Vista dr. was taking the household's black tomcat with semi-long hair and with white markings under its chin and belly to Dr. Sherman's Pet Clinic on Highway 94. The animal had injured its leg.

Wonger said that as he neared the clinic carrying his cat, jackhammers began making a racket at a nearby construction project. His cat, shaken, bit and scratched him on the left hand. Wonger's doctor told him shots would be necessary unless the cat could be located.

The incident occurred Tues., June 5 at noon. Anyone knowing where the cat is, is asked to call HO 6-8914.

Sandra Taylor, Valedictorian

Graduation exercises at Mt. Miguel High school are scheduled for Thursday night of this week in the school's stadium.

At 8 p.m. to Elgar's "Pomp and Circumstance" played by the Miguel concert band, the 402 red-and-white robed seniors, led by Sandra Taylor, valedictorian and salutatorians Philip Coleman and Martha Irwin, followed by the top 50 students, will march through the junior class honor aisle. The honor aisle is composed of the top 20 academic members of the junior class.

Ralph Blunt, ASB president, will lead the audience and class in the Pledge of Allegiance, after which the Rev. E. Walter Smith of the Lemon Grove Congregational Church will offer the invocation.

Highlighting the ceremonies will be the valedictory address by Sandra Taylor: "Education For Those Who Strive" and the salutatory addresses by Philip Coleman and Martha Irwin respectively: "Keep Trying" and "Goals For the Future."

Vela Gwin, senior counselor, will present the class to Grossmont District board members Harold G. Hughes and Palmer Svalstad, who will present diplomas to the class.

Carl "Bud" Carey, senior class president, will lead the graduates in the traditional tassel ceremony to be followed by the benediction.

Mr. Virgil Duea, vice principal, will accept the class gift from Philip Coleman. Baccalaureate and graduation chairman is Patricia Collins. Senior class sponsors are Donald Bellairs, Mrs. Ellen Hall, and Mrs. Claire Tremaine.

CSF chapter officers of the Miguel unit will honor senior CSF members, life members and their parents on Sunday June 10 (after the baccalaureate services) in the school cafeteria.

L.G. Tuna Pack Plant Turned Down By Planners

SAN DIEGO (CNS) — The County Planning Commission denied a zone change request Monday that would have permitted a tuna canning operation to be built in Lemon Grove.

The site would have been in the industrial area between the freeway and Federal blvd., near San Miguel. The project would have been on two acres in connection with a "bishop's storehouse" a function of the Church of the Latter Day Saints for the storage of commodities for the church's needy members.

Barry P. Knudson, president said church welfare programs of the S.D. Stake of the church keep its members off welfare rolls. The church now processes 2½ tons of fish a week in S.D. but would increase to 10 tons in L.G., he added.

The proposal was opposed by owners of adjacent property.

Don Ellis said the operation would cut property values; Tom Little said living near a canner would make "it hard to get your breath; H. D. Carr said "a stinky business" was being proposed.

The motion to deny the zone change was greeted by loud applause from persons in the audience. It was carried unanimously.

High School Tax Hike of 21c Seen In Proposed Budget

The preliminary budget for the Grossmont high school district studied this week by the board of trustees was $1,054,828 higher than last year's, Lewis Smith district superintendent said.

The new budget calls for $8,797,118. Last year the total was $7,742,290.

The tax rate last year was $1.24. If the proposed budget is adopted the rate would rise about 21c to $1.45. It may go to $1.50, Smith said.

The final rate would depend on what action the board takes on employes' request for salary increases.

Smith said the anticipated enrollment for the coming year should increase 1,343 to a total of 13,271. The figure is not a daily attendance average, he said.

The 1962-63 budget includes $370,464 in capital outlay; $9,860 in community services and $9,250 in food. $500,000 is earmarked for reserves leaving $7,907,544 for current expenses.

Current operating cost per student will be increased to $494 or $11 over the 1961-62 school year amount of $483 when the Board was forced to trim over $400,000 from expenditure items. A tax rate levy increase from $1.25 to $1.50 was authorized in October for a two year period in order to finance a return to the educational level represented by the 1960-61 school year when the cost per pupil was $493.

A $53,000 item for student accident insurance was considered to be one of the items most likely to be eliminated from the budget. On June 25 the Board will reconsider the budget but may not reach a definite decision on items to be cut to allow for porposed salary schedule increases.

Salvation Army Boss Promoted, Transferred

SAN DIEGO (SPCL) —Capt. Lester A. Woods, officer in charge of the Salvation Army Men's Social Service Department here for the past three years, has been promoted to major and transferred to Oakland.

His successor in San Diego will be Capt. Robert Keene of San Jose.

Woods, a graduate of the Yale School of Alcohol Studies, has developed a successful rehabilitation program with a psychological approach. Eleven persons have been added to the therapy or treatment staff, including a full-time chaplain and three staff psychologists.

Two new Thrift Stores have been opened, making a total of eight in the city and county, including one in Lemon Grove. The men's residence, with a capacity of 90, has been remodeled.

A realistic graduation program has been developed, utilizing psychological techniques, and designed to enable the men to obtain a job and achieve enough emotional stability to hold it.

How Quiet It Is Without Hegland

Many local voters are still stunned by the overwhelming defeat suffered by Sheridan Hegland at the hands of his party's opponent, Lionel Van Deerlin. Both Democrats, the prize was the party's nomination for the new 37th Congressional District seat.

No one was more stunned than the loser. Hegland, who had served the district well for four terms as a Democratic assemblyman, had never been near defeat before. In his own words he "was bitterly disappointed at not being able to represent my district, a district that so desperately needs effective representation."

We think Heg simply overlooked the fact that about 25% of his support always came from Republicans and these voters couldn't give him a single nudge at the primary.

Heg said he was "flabbergasted" by the margin of his defeat. "I can't believe that many people preferred someone else," he said . . . and neither can we. But there it is.

In a letter to some of his friends Heg took stock of himself. In it he states that "it is not my intention to seek public office again."

He leaves behind a heritage for which apology need never be made. He had major responsibility for legislation which led to the Hegland Scholarship Act; the new university at La Jolla; two new hospitals in the county; many new junior colleges throughout the state; the smashing of the state's diploma mills, and two significant laws on traffic safety.

Hegland made the race against the advice of some of his admirers. He had a mortal lock on his Assembly job. But he felt the call, he said, to fight against centralization of government on the national level.

And now he will not serve us at all.

He says that he is through with politics and will reenter the education profession.

And we believe he will . . . for a couple of years. But we also believe that Hegland, who is not old at all, will respond like an old fire-horse when the next election time comes around. By that time the bitterness will have dissolved . . . the fountain of energy will have renewed itself and new challenges will encourage him to make himself available.

By that time too, voters may realize that they can't do so well without Sheridan Hegland representing them.

BABY ALMOST BORN IN CHURCH GETS BAPTISED

When James Frederick Kurtzinger, the baby shown in the photo with Dr. Jordan Detzer, pastor of Lemon Grove Methodist Church and Mr. and Mrs. Fred Kurtzinger, the mother and father—was baptized May 6 at the church, the occasion brought back memories to those at the baptismal service.

They remembered back in April 1 of this year when at the 11 a.m. services Mrs. Kurtzinger, as she told people later, started having labor pains at the rate of every 10 minutes. She felt them coming on before the service but said nothing to avoid disrupting the worship service for her husband and parents, Mr. and Mrs. Wilbert DeRieux of 1874 Klauber ave.

As the service went on and Dr. Detzer presented the sermon for the day, Joan Kurtzinger looked often at her watch and was not overly attentive to the pulpit. The people around her probably thought this rather discourteous. By the time the service ended at 12 noon, labor pains were even more frequent and Joan was in no mood to care.

James Frederick was born at about 1:30 p.m. that afternoon at Mercy hospital, and Rev.

Detzer dropped by to bid welcome to the newcomer who almost arrived during his sermon, and who, in years to come, undoubtedly will pay many hours of careful attention to Detzer sermons.

The May 6 baptism thus had special meaning. As an afterthought then, Rev. Detzer said: "We have three doctors in our congregation. But none were present on April 1—April's Fool Day."

LOCAL MEN AT COUNTY OPTOMETRIC MEETING

Max Goodwin, publisher of the Review was the guest of Dr. Calvin Nicholl of Lemon Grove, a past president of the San Diego County Optometric society Thursday at Hotel Catamaran, when the society held its annual Motorist Vision meeting attended by law enforcement officials, publishers, and others.

During the meeting, the society presented its annual traffic safety award to the San Diego School Safety patrol, which has guarded the crossings of 68 elementary schools for the past 25 years without a single major accident.

Gov. Howard Pyle of Chicago, president of the National Safety Council was speaker.

YOUNG REPUBLICANS TO HOLD MEETING

The Young Republicans Club of San Diego County, which is for people to 41 years of age will meet on June 20 in the Polynesian Room at the Town and Country Motel.

President Bill McIntyre invites Lemon Grove and Spring Valley people to attend the 8 p.m. meeting and the social hour to precede it. The club is holding a membership drive and this meeting is for the purpose of describing work and activities of Young Republicans, McIntyre said.

Two morning worship services will be offered this summer by Shepherd of the Valley Lutheran Church in their temporary chapel at 3944 Willowside ln., one block east of Bancroft, just south of Campo rd. in Spring Valley.

The early service at 8:30 will be a Matins service, using the traditional brief morning service of the church. At 11 the worship will follow the order of the service.

The new schedule begins on June 17 and is designed to make summer worship more readily available to the community.

L.G LUTHERAN CHURCH SETS 'HOLY COMMUNION'

Lemon Grove Lutheran Church will celebrate "Holy Communion" at both worship services on Sunday morning, June 17.

The couples' club of the church will meet on June 23 to go miniature golfing at the Twin Putt Golf Course, 760 El Cajon blvd. The church asks all who are interested to meet there at 7:30 p.m. Refreshments will be served later by the hostesses—Mr. and Mrs. R. C. Granstedt, 1593 Drexel dr., Lemon Grove.

GOD'S MINUTE

REV. H. C. BAKKEN

"VICTORY OVER DOUBT"

The victory of the Risen Christ is still with us. Thomas found it difficult to believe that Christ could actually have risen from the dead. He declared that he would not believe unless he could see for himself. By faith, each one of us must experience for himself. Some one else can tell you about an experience, but it is not yours until you have the experience. When you meet the Risen Christ for yourself you will believe.

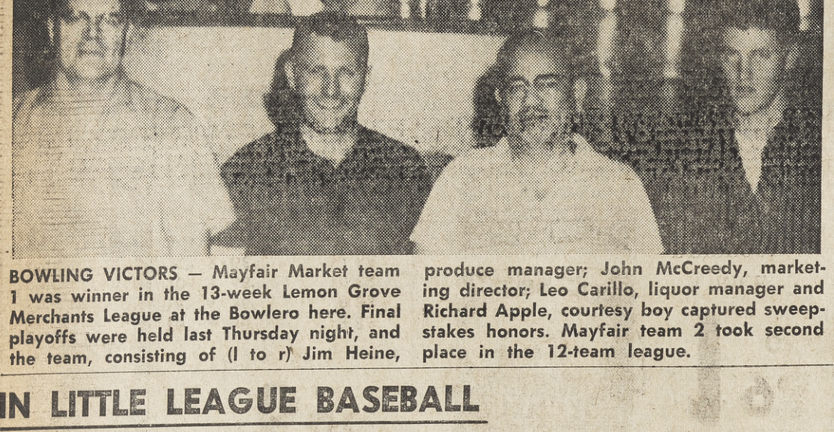
Lemon Grove Merchants League Holds Playoffs



BOWLING VICTORS — Mayfair Market team 1 was winner in the 13-week Lemon Grove Merchants League at the Bowlero here. Final playoffs were held last Thursday night, and the team, consisting of (l to r) Jim Heine, produce manager; John McCreedy, marketing director; Leo Carillo, liquor manager and Richard Apple, courtesy boy captured sweepstakes honors. Mayfair team 2 took second place in the 12-team league.

IN LITTLE LEAGUE BASEBALL

Dwight Akers Builds Up Amazing Winning Record For Valley De Oro Teams

Dwight Akers, coach of the Yankees of the Valley de Oro Little League is credited in Spring Valley with having brought about 12 consecutive wins for the two teams with which he has worked. Last season he managed the Eagles, a Minors team which went undefeated.

The Yankees, of which Akers is coach and Fred Crawford is manager, are undefeated after 12 games this season. (By the way, it was the Yankees, not the Lions, which had 10 consecutive wins as mistakenly reported recently).

As a result of the Yankee winning streak, other teams in the league are playing better, baseball fans feel. Furthermore, the other teams are all out to "beat the Yankees."

The Lions are in second place and won two games in the past week bringing their season winning total to seven. The third place Rams also won two in the past week; they have six wins to their credit.

TIES BROKEN

Ties for first place were broken last Saturday in both the Minor and Banner Leagues. An early morning game between the tied-for - top - place Black and Gold Banner teams, proved to be a tense, hard-fought, beautifully-played contest from the first pitch to the final strikeout, which left Black Banner runners on all bases, and earned a 5 to 4 victory for the Gold team. Monte Stock was winning hurler. The game lasted 90 short minutes "leaving spectators breathless," as one fan put it.

The high point of the morning for fans, however, was after the game, when players of the Black team swarmed from their bench and mingled among their opponents, shaking hands and congratulating them, putting on a beautiful display of good sportsmanship. The Golds now have 9 wins and 3 losses; the Blacks, 8 wins and 4 losses; the Reds, 6 wins and 5 losses; and the Greens, 6 wins and 6 losses.

LARKS, OWLS TIED

Afternoon games in the Minors found the Larks tied for top position with the Owls, winning an 18 to 6 victory over the Hawks in the first game of a double-header. The Hawks fought back, executing a superb double-play by Larry Wright at first to Jerry Gay at second. But they were unable to rally before the final inning. The Larks' winning pitcher was Mike Gentile.

In the second game, Owls fought a see-saw battle with fifth place Falcons, who racked up an 11 to 4 lead at the end of three innings. But the Owls rallied in the fourth and fifth innings to bring the score to a 14 to 14 tie. An added inning was played and the Falcons finally winning by a score of 15 to 14. Winning pitcher was David Hoover.

Carman Ranch Women Swim To Second Place

A second place in the women's division was captured by the Carman Ranch Club Swim Team during the annual Hillcrest Lions Club meet at the Bud Kearns pool over the weekend.

To help bring this ranking about, the senior women's 160-meter relay team of Pat Lundquist, Brenda Holmberg, Judy Lubic and Claudia Mansfield got first place.

The boys fared well too. The 11 and 12 year old relay team of D. Dawson, J. Harbic, M. Wilhite and R. Robertson captured a second place. In a close race, the senior men's 160-meter relay team of David Szuch, Bob Rohlinger, Jim Harter and Paul Daniels took third.

CAJON DE OROISTS HIT BATTING STREAK

Batters in the Majors, Minors and Minor "B" teams of the Cajon de Oro Little League this past week went on a "spree" with the scores looking more like basketball scores than baseball. Here they are:

June 4. Colts 10, Cougars 1.
June 5. Elks 9, Bears 0.
June 6. Tigers 8, Lions 7.
June 7. Elks 30.
June 8. In the first game of the double-header, it was Tigers 8 and Colts, 6.

In the second game, the Lions slammed out 16 runs to the Bears' one.

MINOR SCORES

Cardinals 17, Eagles 12. Hawks 12, Orioles 10. June 7. Cardinals 20, Robins 9. Eagles 6, Hawks 4. Orioles 16, Robins 6.

MINOR "B's"

Mustangs 9, Darts 4. Darts 28, Sabres 2.

GROVE LITTLE LEAGUE

Johnson Of Indians Against Braves Pitches Shutout

Bruce Johnson of the Kiwanis Club's Indians pitched a 5-0 shutout game against Bayshore Motors Braves on June 9 in Lemon Grove Little League play, topping the performance of the week.

The Universal Electric's Orioles and Spears Ford's Pirates played 12 innings before the Pirates won 10-9. Walker-Scott's Cubs beat Lion's Club-sponsored Yankees 3-2, and L. G. Sporting Good's Dodgers beat the Yankees 14-5 in more of the exciting little league activity.

About 200 cheering fans watched last Sunday's game between pony league managers and coaches and the same from the little league. The ponies beat 8-7. The game was to raise money for the National Little League Foundation, a nation-wide organization promoting little league baseball.

San Miguel PTA To Host Teachers

San Miguel teachers will be guests at a potluck luncheon to be held at 12 noon on June 15 in the cafetorium. The old and new executive board of the San Miguel PTA will hostess this annual close-of-the-year luncheon.

PTA president Mrs. R. J. Collette was honored at a surprise luncheon at Campus Chuck Wagon June 12. She was presented with a gift by board members for community efforts as president.

Class parties are to be held in each school room Thursday.

Dad To Get Free Bowling Father's Day

Dad will get a free game at the Lemon Grove Bowlero on Father's Day if he takes his son or daughter. Dad is invited to clip out an advertisement elsewhere in this newspaper and bring it with him for the free game.

The Bowlero is making the special Father's Day offer so that dad will be sure to spend some time with his kids on his day of the year.

Still another way in which the Bowlero is encouraging dad to spend time with the family is the Scotch Doubles Tournament slated for this Father's Day weekend. The winning mom and dad will get a two-day all-expense vacation at Showboat Hotel in Las Vegas.

Over the past weekend L.G. Bowlero Junior All-Stars had a match game with the Clairemont All-Stars at Clairemont Bowl, and our locals won. Larry Hadley was big gun for the Grove boys with a 605 series and a 224 game. Don Russell got 209-200-595. Opponent Jim Wallace got 218-211-620.
